Federal law mandates that NFDA require written authorization prior to solicitation for participation in NFDA PAC. In accordance with Federal Law, my company has not provided prior approval to another trade association with a federal PAC for the calendar years selected. I understand that all contributions to the NFDA PAC are strictly voluntary, and refusal to contribute to the NFDA PAC will not adversely impact an individual's professional position.

Notice Regarding Tax Deductibility of NFDA Dues:

Generally, funeral homes that pay NFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the enacted Budget Reconciliation Act of 1993 (the "Act") dues revenues utilized by a professional trade association for lobbying purposes cannot be deducted by the member who paid dues. In accordance with the Act, the National Funeral Directors Association is hereby notifying its membership that it estimates that 7% of the 2012 NFDA dues paid by a member will not be deductible as ordinary business expense for federal tax purpose. This estimate is to be utilized by NFDA members in determining what portion of their NFDA dues is deductible. Please provide a copy of this notice to your accountant and/or tax preparer.
