## "Music Performance License Only" and "Livestreaming License Fee" NFDA offers the lowest rate available in funeral service.

### Music Performance License

You are eligible for the \$366 "Music Performance License Only" fee if you are a member of at least one of the following associations: NFDA, NFD&MA, OGR, SIFH or an NFDA federated state association (choice or partnership).

The three licensing organizations, BMI, SESAC and ASCAP, have your funeral home on file as previously having a music license. The 1984 U.S. Copyright Law requires a music license for all establishments. With NFDA, you pay only \$366 to avoid penalties of up to \$250,000 and 5 years in prison. Don't take that risk. You'll have peace of mind through Dec. 31, 2027; knowing you're not violating the law.

Additionally, you may purchase a \$221 music performance license for AllTrack and Global Music Rights (GMR).

### Livestreaming License

While the music performance license covers performance, a different license is required for a funeral home to broadcast musical performances over the internet. Funeral homes that offer funeral livestreaming services are violating copyright laws when they broadcast over the internet any funeral services that contain copyrighted music.

NFDA has finalized agreements with BMI, ASCAP and SESAC to a livestreaming license that enables you to legally broadcast funeral services that include copyrighted music over the internet. With NFDA, you pay only \$71 per website to avoid penalties of up to \$30,000. You'll have peace of mind through Dec. 31, 2027; knowing you're not violating the law. Additionally, you may purchase a \$47 livestreaming license for AllTrack and Global Music Rights (GMR).
